At KTNV-Channel 13 Action News we are committed to making Las Vegas a better place for locals and their families. We strive to solve the everyday problems that can make life in Las Vegas frustrating.

Action News tackles problems that government and big business ignore. We ask the tough questions and hold those in authority accountable.

Attached are the community based stories covered by KTNV-Channel 13 for 2Q12 reflecting (5) significant issues that Southern Nevadans are affected by the most; Health and Welfare, Economic Development, Politics, Education and Public Safety.

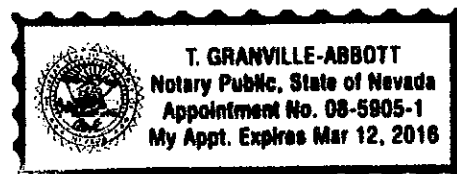

Our community involvement extended far beyond covering these issues in our newscasts this 2Q12. Along with covering these stories that matter to the Southern Nevada community, Journal Broadcast Group's On-Air Talent and Behind-the-Scenes staff addressed our community's needs by participating in local events that were areas of concern for them.

KTNV-Channel 13 an affiliate of the ABC Network, together working toward A Better Community.

<<<HANDSHAKES AND WORDS OF ENCOURAGEMENT... MARKED THE OFFICIAL RESIGNATION OF DR. LAWRENCE SANDS... AS CHIEF OFFICER OF THE SOUTHERN NEVADA HEALTH DISTRICT. BUT HE ADMITS... HIS TIME THERE WASN'T ALWAYS MET WITH ENCOURAGING WORDS. It's always difficult to take criticism and so forth... My record speaks for itself. HIS DECISION TO SHUT-DOWN THE AGENCY'S HEADQUARTERS BACK IN APRIL... CAME WITH CONTROVERSY. HE MADE THE CALL TO PERMANENTLY EVACUATE THE BUILDING... EVEN PAID SOME WORKERS TO STAY HOME... AFTER AN INDEPENDENT ENGINEER SAID THE BUILDING WASN'T SAFE. -- THESE PHOTOS SHOW SOME OF THE PROBLEMS. CLARK COUNTY COMMISSIONER STEVE SISOLAK SAYS IT WAS SANDS PLAYING POLITICS... TO GET A NEW BUILDING. The city never came in and said we had to do that. How he arrived at that decision, I don't know. BUT SANDS DEFENDS HIS ACTIONS. When you're faced with a engineering report from a reputable firm, that clearly states the building was unsafe to occupy, I don't know how anyone else in my position could elect to do otherwise. SANDS ALSO STANDS BEHIND RAISES HE GAVE TO HEALTH DISTRICT WORKERS... ANOTHER SOURCE OF CRITICISM. District employees have only received, those who were eligible, what we call a one step

increase, which is only 2.5 percent, which is not much different or far less than what many other jurisdictions are still doing during these economic times. AND AS HE NOW WELCOMES THE NEXT HEALTH DISTRICT LEADER INTO HIS ROLE... SANDS SEEMS RELIEVED TO MOVE-ON FROM THE DRAMA. I hope to say that's kind of water under the bridge. >>>
